France To Withdraw Troops From Saigon

Important Victory For Diem

SAIGON, South Viet Nam (AP) — Premier Ngo Dinh Diem won an important victory Friday in his drive to lessen French influence in South Viet Nam. His deputy defense minister announced France has agreed to withdraw its troops from the capital city of Saigon.

The minister, Tran Trung Dung, said that eventually the entire 75,000-man French expeditionary force will be shifted to two or three coastal embarkation points. Diem's government contends the troops in their present concentrations have angered the Vietnamese people and fired up Communist propaganda.

Dung's announcement followed disclosure that Gen. Paul Ely, French commissioner general in Indochina and commander of the French armed forces here, had asked Paris to relieve him of his post. Dung and Ely are working out details of the troops' regrouping. Ely's move came as a surprise. But it obviously was an outgrowth of his clashes with Diem on military and political policies, and of American support for Diem.

Diem asked the French government last week to move the troops northward to the border with Communist-held North Viet Nam, where they could guard against Red encroachment, or pull them out of South Viet Nam.

Announcement of the agreement on shifting the French forces to coastal embarkation points marked another success in Diem's determination to prove that South Viet Nam now is free, independent and sovereign. The victor in the recent civil war with Bing Xuyen rebels, Diem is arranging elections of a National Assembly to set up a government on a broad basis which will decide the future status of an absentee Chief of State Bao Dai. Bao Dai was installed by the French in 1949.

The Premier made a strong bid for top-level recognition a week ago when he invited the Western Big Three foreign ministers to come here soon to draw up with his government a common course of action against the spread of communism in Viet Nam. So far no replies have been received.

Withdrawal of French forces means Saigon will be free of French military influence for the first time in 80 years. Security of the capital will be placed in the hands of the young Vietnamese national army.

First New Radar Craft Launched

QUINCY, Mass. (AP)—The first of a series of offshore radar craft intended to give the armed forces a little more time in defending against approaching enemy aircraft was launched Friday at the Fore River shipyard of Bethlehem Steel Co.

"Texas Towers" is the designation given the 6,000-ton, triangular-shaped craft because they resemble offshore oil drilling rigs common to the Gulf of Mexico.

Thirty of the new craft will be built for the Air Force under Navy auspices and when in place will form a network extending from Norfolk, Va., to Newfoundland.

The vessels are 200 feet long on each of three sides and 20 feet deep. Stills or legs, 178 feet long will extend to the ocean floor from the Georges Bank. Rising from the deck will be three domes housing radar equipment. The deck will be large enough to permit helicopter landings. A crew of 50 to 70 Air Force men will man each tower.

HAM AND EGG BREAKFAST

EFFINGHAM, Ill. (AP)—The smell of ham and eggs should fill the air for miles around Saturday morning.

More than 2,000 plates of the popular dish, plus orange juice, hot rolls and coffee, will be served at 6 a.m. to those attending the second annual Effingham Poultry and Egg Breakfast.

The breakfast, sponsored by the Effingham County Poultry Industry Council, is part of a day-long program.

A parade and the naming of a festival queen are other highlights.

South Africa produced 30½ million tons of coal in 1954, valued at more than the diamonds mined there the same year.

Arguments On Soviet Air Strength Continue

WASHINGTON (AP)—The Soviet air force got built up and then cut down Friday in a swift change of words by another U. S. Air Force officer.

Lt. Gen. Thomas S. Power, in a speech prepared for a Boston Air power conference, said the Soviet Union now has the world's largest air force and "resources in manpower and material we could not possibly match."

Before delivering the speech, however, Power changed his text to credit the Reds with only "a large air force" and say "the Soviets have impressive resources in manpower and material," without stating that this country's couldn't match them.

Lattimore Wins Approval For Trip To Europe

WASHINGTON (AP)—Owen Lattimore, Friday won State Department approval for a trip to Europe this summer despite the fact that he is under federal indictment on a perjury charge.

Lattimore, a Far Eastern affairs specialist, was indicted in December 1952, on charges that he gave false testimony when he denied pro-Communist activities or associations. Since then the indictment itself has been involved in a long series of court battles and Lattimore has not come to trial.

Last March Lattimore asked the State Department to extend the passport held by himself and his wife so that he could lecture in Britain and Western Europe during June, July, August and September. He also plans to attend the 10th International Congress of the Historical Sciences at Rome.

On April 26 Lattimore's attorney, Thurmond Arnold, said it seemed that the State Department was holding up the passport to prevent Lattimore from keeping his engagements. The State Department denied this.

Police Ponder Rules For Case Under Marine Law

KANSAS CITY (AP)—Kansas City police, who don't often get cases in marine law, had a case Friday they thought might come under military, and then, on the other hand, piracy.

Bleeding from a headcut, Lee Hammers, Clinton, Iowa, came to headquarters to relate he had been beaten and robbed by a river huncher.

Hammers, who said he was a World War I pensioner, is skipper of a 20-foot cabin cruiser on which he set out to travel the Mississippi and Missouri rivers.

A week ago in Louisiana, Mo., Hammers related, he picked up a huncher and made him a "first mate" of the vessel. But Thursday night, while the boat was tied up near Parkville, Mo., Hammers said his hitherto loyal crewman hit him with a skillet, took \$750, a watch and a blue suit and then locked him in the cabin.

Hammers wasn't able to break out until early Friday.

Police are checking to see if it is a case for federal officers since the alleged offense took place on navigable waters.

Hammers said he was en route to St. Joseph, Mo.

Police Capture Gun-Toting Lover, Abducted Girl Friend

DETROIT (AP)—State troopers armed with shotguns Friday caught a gun-waving, 25-year-old lover after he forced a girl friend to accompany him on a wild, night-long drive for a wedding that never was held.

Police found husky Murray Sinuk, a Detroit credit company clerk, in a motel with brunette June Dallen, 21. The 6-foot, 240-pound Sinuk was held for investigation of kidnapping the petite of 16.

Police said Miss Dallen told them, "He stuck a .45 caliber automatic in my back and announced I was going to Bowling Green, Ohio, with him to get married."

Sinuk had forced his way into an apartment where Miss Dallen was staying with a girl friend last night. Miss Dallen, who lost her shoes when Sinuk shoved her into the car, said he fired his gun out the window as they drove off "to prove it was loaded."

When they arrived at Bowling Green, Miss Dallen telephoned her home at 1 a.m., telling her stepmother she was going to be married. "She sounded nervous and frightened and talked as though she had been coached on what to say," Mrs. Michael Dallen, the sister of Sinuk's ex-

Soviet Accepts U.S. Bid For Visit To Hog-Corn Belt

MOSCOW (AP)—The Soviet Union Friday accepted an American invitation to send an official agricultural delegation to visit Iowa and other corn-hog growing states.

A Soviet note delivered to the U. S. Embassy said the delegation of 10 to 12 persons would like to visit farm machinery factories, canning plants and farm storage depots as well as farms.

The note said the Soviet Union is ready to issue visas immediately for about 12 American agricultural experts to pay a return visit. It suggested that the Americans come here about July 15 and stay for one month.

The American invitation suggested that the Soviet delegation arrive in the U. S. farm belt by July 10 and stay approximately a month.

The Soviet Union said it would show the American delegation the Moscow Agricultural Fair, Moscow's Agricultural Academy, its scientific research institutions for agriculture and state and collective farms.

The note said the Soviet Union would also show the Americans farm machine factories and enterprises working on agricultural production.

"The Soviet government hopes that the exchange of agricultural delegations between the USSR and the United States will be a mutual measure," the note said.

Bill Restricting Catholicism Ready For Peron To Sign

BUENOS AIRES (AP)—Congress completed action Friday on a three-point program by supporters of President Juan D. Peron for restricting the Roman Catholic Church in Argentina.

The Senate passed unanimously a House-approved resolution to set up the process for amending the constitution to separate church and state.

The Chamber of Deputies approved 112-9 a Senate bill to cancel the tax exemption of churches and religious organizations.

Point three in the program was approved earlier in the current three-week session by both bodies—discontinuing Catholic religious education in the public schools.

All three measures await signature by President Peron but this is taken for granted, since Peron had said publicly he would sign any actions against the church taken by Congress.

Peron's party controls all the Senate seats and has an overwhelming majority in the Chamber.

There was no immediate comment from the Roman Catholic clergy.

In Rome, the Vatican newspaper L'Osservatore Romano, commenting on the 121-12 vote in the chamber of Deputies Thursday night on the resolution to amend the constitution, said it was "part of the persecution which has hit the Catholic church in Argentina for more than six months."

Consumer Prices For Cars, Rents Declined In April

WASHINGTON (AP)—The government reported Friday that consumer prices for both automobiles and rents declined in April because of record production in the auto and housing industries.

The price declines were modest but possibly significant in view of tremendous output in both industries. They were chiefly responsible for an over-all slight reduction in the nation's living cost level for April.

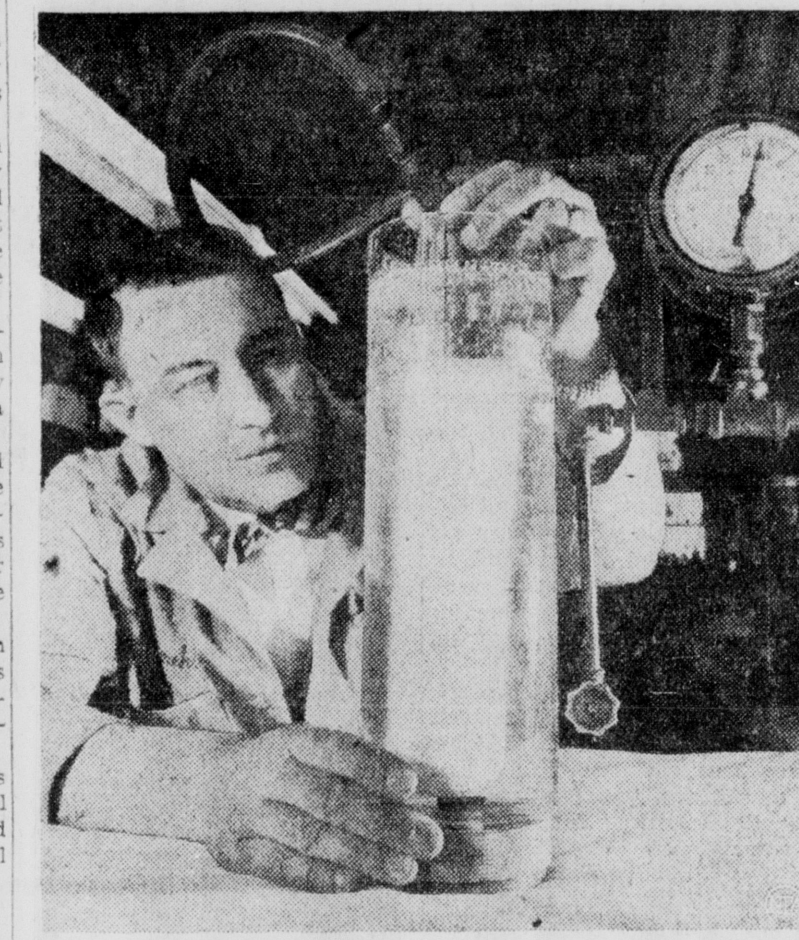

The Labor Department's Bureau of Labor Statistics said that between mid-March and mid-April its consumers price index declined a tenth of 1 per cent to 114.2 per cent of the 1947-49 average. This is three-tenths of 1 per cent lower than April last year. It is the lowest living cost level since May 1953 when the index was 114.0.

The trend decline was only a tenth of 1 per cent. On a \$100 monthly rent this would be only a dime a month. But it was the first time rents over the nation have averaged lower since the government rolled them back in wartime 1942.

Food prices rose nearly ½ per cent in April.

All things considered, living costs stayed pretty stable in April. Meantime, the Labor Department said, the take home pay of factory workers and the purchasing power of their pay dollars were at record highs for any April. The figures were slightly lower than the March levels, however, because of somewhat shorter working hours.

Decide Against Reducing Dosage Of Polio Vaccine

HOLEY GEE! — This newly developed ceramic filter, being checked by Engineer Jack Kerns, for use in the manufacture of Salk vaccine has just been announced by the Sels Corporation of America. The new filter contains more than eight hundred million—that's right, million—tiny holes per square inch through which components of the polio vaccine are strained for bacteriological purity. Number of holes per filter is measured precisely by checking how much air must be forced through immersed tube to create bubbling.

Reds Reject U.S. Plea To Cut Road Tax On West Berlin Trucking

BERLIN (AP)—Soviet Ambassador G. M. Pushkin rejected Friday a Western appeal for Soviet help in getting Communist East Germany to pare down stiff highway taxes in effect since April 1.

He again told the Big Three Western ambassadors the levies slapped on West Berlin's truck traffic are the sole responsibility of the East German republic.

The ambassadors met with Pushkin for four hours in the first formal meeting of top Western and Soviet officials in Germany since 1948. They proposed that the four powers occupying Berlin appoint German experts to study the tax problem and recommend a solution.

In rejecting this, Pushkin insisted the question could be settled only by direct negotiations between the West German government and the Eastern government which the West Germans refuse to recognize as legal.

West Berlin, isolated within East Germany, depends heavily on trucks to bring foodstuffs and consumer goods from West Germany 110 miles away. In hiking the taxes, East Germany asserted more money was needed to keep the roads in repair.

The Western ambassadors estimated the new rates will cost West Berlin 7 to 10 million dollars year, unless a compromise can be reached. The old tax was boosted 1,100 per cent for the largest class of Western trucks to 240 marks—\$57.12—for a round trip on the Berlin autobahn. This is a tax of about 25 cents a mile.

When the higher levies went into effect, Western spokesmen denounced them as blackmail intended to gain formal diplomatic recognition of East Germany by the West. They also charged the taxes were aimed at weakening the West's bargaining position in future talks on German unity.

Molotov To Attend U.N. Anniversary Meeting In June

UNITED NATIONS, N. Y. (AP)—Soviet Russia is sending Foreign Minister V. M. Molotov to the 10th anniversary meeting of the United Nations next month in San Francisco. Molotov so informed the U.N. Friday.

This makes certain the holding of new high-level East-West talks. Secretary of State Dulles and French Foreign Minister Antoine Pinay announced earlier they will be in San Francisco. The British also are expected to send their foreign minister—Harold Macmillan if the Conservatives win next Thursday's election, a Laborite otherwise.

The four ministers have just met in Vienna for the signing of the Austrian independence treaty. They likely will confer at San Francisco on plans for the meeting of their chiefs of government later in the summer.

To Evaluate Conditions Before Giving 1st Shot

WASHINGTON (AP)—"The government Friday night decided against reducing dosages of the Salk anti-polio vaccine in an attempt to stretch out the scarce supplies."

This threw into further doubt as to just how soon millions of still unvaccinated children can receive the treatment.

A team of experts met all day Friday here to consider whether smaller dosages, possibly injected just into the skin rather than into the muscles, would be advisable.

But Friday Surgeon Gen. Leonard A. Scheele of the Public Health Service announced that the advisory committee has recommended that the present generally accepted schedule of three doses of one CC each of the vaccine be continued.

He said this and other recommendations are being immediately transmitted to medical and public health authorities throughout the nation for their guidance. This meant that they had the government's OK.

Experts recommended that the vaccination continue to be injected into the muscles rather than just into the skin.

The team of experts also took up Friday another question: Whether the vaccination campaign should be suspended in late summer, the height of the polio season, out of fear the injection might provoke a type of paralysis.

On this score, the experts recommended:

1. In areas and periods where polio is prevalent, the first shot should be given "only after evaluation of all the circumstances."
2. But the second shots can be given in such areas and periods "without appreciable concern for the phenomenon of provocation."

The experts explained that slight immunity resulting from the first dose of vaccine will most likely provide protection against any such effect.

The committee expressed the opinion that use of the vaccine during an outbreak of polio has its place in preventive medicine.

Members of the advisory committee were: Dr. David Bodian, Johns Hopkins University; Dr. Thomas Francis Jr., University of Michigan; Dr. W. McD. Hammon, University of Pittsburgh; Dr. Robert Korman, New York State Health Dept.; Dr. John R. Paul, Yale University Medical School; Dr. Thomas Rivers, Rockefeller Foundation; Dr. Albert Sabin, University of Cincinnati; Dr. Jonas E. Salk, University of Pittsburgh and discoverer of the vaccine; Dr. Joseph Smadel, Walter Reed Army Medical Center; Dr. Thomas Turner, Johns Hopkins University and Dr. Hart Van Riper, National Foundation for Infantile Paralysis.

Another development came during the day when two manufacturers of the vaccine confirmed reports that manufacturers' experts have been summoned to Washington for a conference Monday on new safety standards. This may mean a new delay in distribution of the vaccine.

Informants say the manufacturers have been told the new standards may be adopted for all vaccine approved hereafter by the government for the nationwide immunization campaign.

If they are, the informants added, an extra three to five days of testing may be in prospect. Complete re-testing of vaccine already made would require between 28 and 35 days, they said, but a new operation under consideration would cut the time down considerably.

WASHINGTON (AP)—President Eisenhower's advice on how to win an election was recounted by a visitor Friday as follows:

1. Plan your campaign properly.
2. Make each speech better than the last one, so that the best speech is the one just before the election.
3. Get out as many young voters as possible.

These were the tips W. Thacher Longstreth said he received from the President during a call at the White House. Longstreth, 34-year-old advertising agency executive, is the Republican nominee for mayor of Philadelphia.

Demo, GOP Senators Open Fight Over Highway Plans

WASHINGTON (AP)—A hot fight over America's highways-of-the-future opened in the Senate Friday, with Democrats and Republicans vying to put across rival plans.

Sen. Gore (D-Tenn.), in the first major speech of the debate, declared that a bill he offered would criss-cross the country with "magnificent" new superroads.

Republicans, scoffing that the Gore bill would not do the job, bided their time to try to substitute an Eisenhower measure, turned down by the Public Works Committee in favor of the Gore bill. No Senate votes are to be taken until next week.

Sen. Martin of Pennsylvania formally introduced the Eisenhower bill and served notice he would ask the Senate to pass it instead of the Gore measure.

The Gore bill calls for a federal-state outlay of \$1,941,000,000 in the next five years on the four road systems aided by federal funds—interstate, primary, secondary and urban. Of the total about \$1,750,000,000 would be federal money.

The Eisenhower plan would allot \$8 billion of federal-state funds to the four systems over 10 years. Of this, 26 billions would be spent on the 40,000-mile interstate system, designed to link up all areas of the country.

Sen. Chavez (D-NM), chairman of the Public Works Committee, said the Eisenhower bill would leave the nation "in hock" for 30 years.

Polite Bandits Rob Alabama Bank Of \$90,000

JACKSONVILLE, Ala. (AP)—Four armed bandits who mixed politeness with deadly threats robbed a Jacksonville bank of around \$90,000 Friday, then made a smooth getaway.

A stolen car in which they fled after their precisely timed strike at the First National Bank of Jacksonville, was found abandoned about two miles from this northeast Alabama city of 4,750.

Posing as reporters for the Anniston Star, the four gained entry to the home of bank cashier Jesse N. Wood.

Two of the robbers remained there, with nylon stocking masks over their heads, guarding Mrs. Wood and two small daughters, while the other pair drove with Wood to the bank and forced him to let them in.

Bank employees, six women and two men, were greeted politely and then bound as they reported for work. The bank vault was opened by a time lock at 8:30 a.m. and the robbers took out the money. The loss was covered by insurance.

A nattily dressed gunman who stood guard at the door asked women employees if they were married and had children. When Mrs. Kathryn Angel, an attractive young teacher, said she was a widow with four children, she said he told her: "If I could I'd give you a thousand of this to help you with those kids but the government would just take it away from you."

But the talkative gunman also warned the bank staff, "If anybody does anything I'd just as soon shoot as not." He also threatened to kill Wood if an alarm was given.

Christian Church Group 2 Meets With Mrs. Black
Group two of the CWF of the Central Christian church met May 13 at the home of Mrs. Lloyd Black, east of the city where a potluck luncheon was served at one o'clock. This was the last meeting of the season until this coming fall.
A lovely luncheon was served to thirteen members and three guests. Rev. John Foster, supply pastor of the church, was a guest and made a short talk on the women's work within the church. Mrs. Lee Lyons, leader of the group, presided at the business session held after the meal. The group repeated the Fellowship prayer. Minutes of the previous meeting were read by Mrs. John McDonald and the treasurer's report was given by Mrs. Glenn Skinner.
The 23rd Psalm was repeated before the missionary chairman, Mrs. Frank Crawley, gave the lesson on Christian Religion. A gift was presented to Mrs. Charles Nichols who helped the unit prepare meals during the last few months. Mrs. Nichols will also purchase for the group some new equipment for the church kitchen.
Mrs. Ethel Kumbell spoke about sending CARE packages abroad. The meeting adjourned with the benediction.

Ashland Woman Falls In Home, Fractures Hip
ASHLAND—Mrs. Jane Caswell, 84 years old, and who resided with her daughter-in-law, Mrs. Edith Caswell, fell Monday night about 8:30 and broke her hip.
Mrs. Caswell had put her to bed earlier in the evening and went across the street to her nephew's home, Albert Yancy to visit. Mrs. Caswell got out of bed and went to close a door and fell. She was able to crawl to a chair and J. C. Yancy came home and Mrs. Caswell told him that she had fallen. He called his sister and others.
Upon examination by the doctor, the Gainer ambulance was called and she was taken to the Memorial hospital, Springfield that night at 11 o'clock. She underwent a surgical operation Wednesday morning and was put into a cast to her foot.

Church Honors New Members
WHITE HALL—Special recognition services were conducted in the First Methodist church of White Hall on Sunday, May 15 at which time all new members during the current year were presented with a token of appreciation by the gift of a book entitled "You're a Member Now." Laymen of the church had full charge of the program.
Sunday, May 22 is to be another day of intense activity at which time district superintendent Dr. Victor Roberts will be present to deliver the morning message, remain for noon-day potluck and conduct the 4th Quarterly conference at 2 p.m. This closes out the work of the church for the current year and all officers are expected to be present with their reports in readiness for delivery.

DEATH OF A LEGEND By WILL HENRY
FOR that \$120 from the Winston robbery Jesse bought his own death warrant.
Governor Thomas Crittenden, who in 1881 had just come into Missouri's executive mansion, signed the lethal paper. Crittenden had campaigned for the governorship and won it smashing on an unprecedentedly simple platform: "The solemn determination to overthrow and to destroy the outlaws in this state whose head and front is the James gang."
Missouri law forbade the offering of more than \$300 in reward money. When the news of Winston and Westphal's murder reached the state house, Governor Crittenden summoned a secret convocation of railroad-company heads to Jefferson City. One week after the Winston robbery, he called in the press and released the terms of the warrant Jesse had drawn with his own pistols:
A reward of \$5000 for the capture of Frank and Jesse James and \$5000 for the conviction of each is hereby posted. It is understood that the railroads will supply the funds...
For the first time in 15 years a real price had been put on Jesse's head. Judas Iscariot had hired out for 30 pieces of silver.
While the hunters prowled the orchestra pit, Jesse came out of the wings.
Curtain time was 8 P.M. of the evening of September 7, 1881. The stage was waste-familiar to the veteran cast—Blue Cut near Glendale, Mo.
Act One was redundant. The pile of cross-ties athwart the rails of the Chicago & Alton roadbed. The scream of the whistle, the lock of the drivers. The rough, bearded men leaping aboard the slowing cars. The engineer covered and escorted
to the express car by the nervously blinking star of the piece.
But Act Two had been rewritten by the leading man himself.
In the deviation, Jesse withdrew the second of his remaining mistakes from fate's dwindling account-book. For the first time in the history of the play, and for a reason known only to its author, Jesse introduced the members of the cast to its unwilling audience, the engineer and the express messenger.
"Allow me to introduce myself," he drawled. "I'm Jesse James."
Then without waiting for the applause:
"This is my brother, Frank James. The one with the big grin and the bad front teeth is my dear cousin, Wood Hite. That's Cousin Clarence Hite with him. This is Dick Liddell, Ed Miller, and Charlie Ford."
What possessed Jesse in this moment of peculiar rashness can scarcely be imagined. Nothing could have been less typical of him.
THE only key was furnished many years later by the self-effacing Jim Cummins. Speaking to a Kansas City reporter in answer to the question, quiet Jim looked back across the years and said:
"After Northfield, Jess was never the same. He got a little crazy, I think. We always figured he never got over running out on Cole. Cole was really the smart one, you know. Nobody else could ever handle Jess after he was gone. We all thought a heap of Old Cole."
With his introductions made, Jesse returned to standard form for Act Three.
Total gleanings from the second Glendale cutting amounted to only \$2000 in cash and jewelry.

Cosmetics Are Demonstrated To Alexander Club
The Alexander Woman's club met May 11 at the Methodist church with Evelyn Keenan as the hostess.
The president called the meeting to order and the pledge to the flag was led by Flora Hall. Minutes were read and the club collect repeated. A short business meeting was held during which Mrs. Robert Foster was voted into the club.
Mary Foley of Springfield studio gave a demonstration of cosmetics. She used as a model club member Mrs. Josephine Muckleston.
Roll call was answered by giving a beauty hint. The meeting adjourned until May 25 with Sallie Stapleton as hostess, when the annual May luncheon will be served. During the social hour "the hostesses served lovely refreshments. Guests were Barbara Hermes, Mrs. Laura Ruble, Mrs. Sarah Harrison, Mrs. Mike Weigand, Sandra Strawn, Mrs. Bessie Harris from Minnesota and Mrs. Perry from England.

DISMISS CHARGE IN LARCENY BY BAILEE CASE
A charge of larceny by bailee against J. R. Knifley of this county was nolle prossed in Morgan county circuit court this week on motion of State's Attorney Albert W. Hall.
An indictment, which has now been dismissed by the court, was returned against Knifley on Feb. 7, 1955.
WEST LIBERTY CLUB WILL MEET TUESDAY
At 7 p.m. (standard time) Tuesday, May 24, the West Liberty Community club will have its last meeting of the year at the schoolhouse. A potluck supper will be served preceding the meeting. THE CONQUEST OF FEAR

One of the earliest emotions a child experiences is fear. And from the first loud noise that awakens him until the moment of his death he knows no day without some recurrence of the sinister, some foreboding of danger.

From the beginning of time religion has been our tested antidote to the poison of fear. In the dark forests of antiquity, on the boiling seas of exploration, in the fox-holes of modern strife, men have calmed the body's trembling with the soul's faith. We have faced the unknown, the hostile, through trust in the Known, the Faithful; we have challenged the insurmountable, confident in the power of the Almighty.

How essential, though, that each generation passes on our Faith to the next! Who dares to deprive a child of the chance to conquer fear? Who would rob his son's soul of the Christian heritage martyrs died to preserve?

Bring your children to God's House every Sunday. Seek with them FAITH for this atomic age.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Proclamation

IN COOPERATION with the Governors of the forty-eight states and the Illinois State Safety Coordinator.

I, Jack Andrews, Sheriff of Morgan county, Illinois
DO HEREBY PROCLAIM the period from Memorial Day to Labor Day—specifically from 6:00 p. m. May 27 to midnight September 5, 1955 to be a safety period identified by the state:

"SLOW DOWN AND LIVE"

During this time all enforcement personnel at my command will be alerted to the tremendous task of furnishing the necessary protection of the traveling public.

Signed at Jacksonville, Illinois on this 20th day of May, 1955.
Jack Andrews, Sheriff.

RETIRING SCHOOL SUPERINTENDENTS HONORED IN QUINCY

CARROLLTON — The retiring county superintendents of schools and their assistants were guests of honor at a meeting of the Carrollton Block held Thursday in Quincy. G. W. Lowe, who is retiring from the office in Greene county, went to Quincy Thursday and during his absence the local office was closed. Lowe will complete his work as county superintendent of schools in August when he will be succeeded by Mrs. W. A. Wilkinson of Roodhouse. Lowe has accepted a position here as assistant superintendent in the Carrollton Community Unit School District No. 1.

Armed Forces: Past, Present, Future

Pictograph illustrates the strength of U.S. armed forces from 1939 through 1956. Figures for 1956 are estimated. Peak was reached at the end of World War II, 1945. Start of the Korean War in June, 1950, brought an upsurge in manpower which has leveled off gradually since mid-1952. Expected 1956 strength shows the effect of the Administration's "New Look" in the military, which calls for fewer men and more air strength.

Here's changing picture in naval, ground and air strength. Estimated 1956 figures show increase in air power, decrease in naval and ground strength.

Military spending is on the downgrade. Chart above shows that the only rise in military spending is found in the Air Force, which is explained by the increased emphasis in air power with the advent of the atomic age. Insert is a breakdown of estimated military spending for 1956.

Blueboys Roll Over Eureka 24-7 For 5th Straight Win

Phillips Senior Sets 180 Low Hurdle Mark In State Track Finals

By CHARLES CHAMBERLAIN
Champaign, Ill. (P)—Husky Billie Martin, a senior from Phillips of Chicago, pulled the major surprise in preliminaries of the state high school track meet Friday by winging over the 180-yard low hurdles in a record-smashing time of 19.2.

Martin, a sprinter competing for the first time as a hurdler in the state test, sliced two-tenths of a second from the record set in 1953 by Richard Caffey of LaGrange.

Martin's feat shoved highly touted Willie May of Blue Island into the background temporarily, and set up a great barrier dual between the two in Saturday's finals.

May, who holds the best 120-yard high hurdle time of the season of 1:41—a tenth of a second under the state mark—headed qualifiers in this event with a modest 1:45 effort. Martin did not go in the high timber trials.

Tigers Defeat Indians, Lemon 11-4 On Errors

DETROIT (P)—The Detroit Tigers routed their old nemesis, Bob Lemon, and went on to trounce the league leading Cleveland Indians 11-4 Friday night before a wildly cheering crowd of 50,004. Five unearned runs in the seventh broke open what had been a nip and tuck battle.

Lemon, with 26 lifetime victories over the Tigers, failed to last out the third inning and was charged with his third loss against six triumphs.

He gave up the first four Detroit runs, two in the second on singles by Ferris Fain and Red Wilson, a double by Jim Delsing and a sacrifice fly by Fred Hatfield, and two more in the third on a walk, a double by Bill Tuttle and a sizzling single by Al Kaline.

Hatfield, usually a weak sister among the Tiger hitters, drove in three runs. Kaline also drove in three, the last one on a single in the eighth.

The Indians jumped off to a lead on Billy Hoelt's first pitch which Al Smith slammed into the left field seats for his seventh home run.

But after the Tigers picked up two in the second, they never relinquished the lead.

Ray Narples, third of four Cleveland hurlers, opened the flood gates in the seventh when he threw wild on a sacrifice bunt by Tuttle with one on and one out. A walk, a sacrifice fly and then a single by Hatfield, a double by Wilson and a single by Harry Malmberg accounted for the five runs.

Speake's Homer Gives Cubs 4-2 Win Over Braves

MILWAUKEE (P)—Rookie Bob Speake's 10th inning home run off Warren Spahn made the Chicago Cubs 4-2 victors over Milwaukee Friday night and kept the Cubs right behind the second place New York Giants.

TIGERS LIKE BUSES

DETROIT (P)—Traveling by plane is no novelty for major league baseball teams. But the Tigers prefer a slower mode of travel when en route to Cleveland. They go by bus.

Manager Bucky Harris likes the bus ride because the club is not forced to meet a rigid schedule as with the railroad or airlines. The bus trip to Cleveland takes four hours.

Expect 8 To Hit 140 In '500' Trials Today

By DALE BURGESS
INDIANAPOLIS (P)—At least eight drivers looked ready Friday to run in the 140-mile-an-hour bracket Saturday in next-to-last time trials for the 39th 500-mile race May 30.

Only Jack McGrath, who set an Indianapolis Motor Speedway record of 142:58 last Sunday, ever paced 140 before this year. Five drivers did it in opening trials last weekend.

Hot driver-car combinations in practice this week have included Art Cross of La Porte, Ind., former national midget champion, in the new Belanger 96, and Jim Rathman of Miami in the streamlined, two-way radio equipped Beland-Miracle Fower Special.

Pet O'Connor of North Vernon, Ind., in the Ansted-Rotary Special, and Bob Sweikert of Indianapolis in the Zink Special, have been running well.

Others around 140 in practice include Don Freeland, Los Angeles, in the Bon Estes Special; Cal Niday, Paoma, Calif., D-A Lubricants Special, and Pat Flaherty, Chicago, the Dunn Engineering Special.

Al Herman of Allentown, Pa., who has never started in the "500," has been over 140 in the Martin Brothers Special.

A forecast of hot, dry weather Saturday and a possibility of showers Sunday will force qualification runs by everybody who thinks he can cover the 10 miles at 138 or better.

Speedway officials expect to fill the 33 car field Saturday. Eight cars already qualified last weekend.

Fuentes, Turner Battle To Draw

NEW YORK (P)—Ramon Fuentes and Gil Turner fought head to head for 10 stirring rounds Friday night to finish all even in a draw at Madison Square Garden. Fuentes weighed 153½, Turner 154½.

The small crowd jeered the vote of referee Al Bel for Turner by a 5-4 score and sat in silence when the 5-5 card of judge Frank Forbes was announced. They cheered word that judge Joe Agnello had scored it 7-3 in favor of Fuentes.

The AP card also had it 7-3 for the 8 to 5 underdog from Los Angeles. A quick poll of the newspapers at ringside showed seven of eight had Fuentes on top.

The last time the two boys met, Turner knocked out Fuentes with a right to the jaw in the fifth round on Aug. 12, 1953. There were no knockdowns this time although both seemed to be hurt on various occasions.

TWO SHARE LEAD IN PREP TENNIS QUARTERFINALS

CHAMPAIGN, Ill. (P)—Hinsdale and New Trier of Winnetka each tallied 15 points to share the lead Friday through the quarterfinals of the State High School Tennis Tournament.

The biggest surprise was the collapse of Oak Park and Danville, 1954 co-champions. Each failed to land a man in Saturday's windup and Danville didn't score a point.

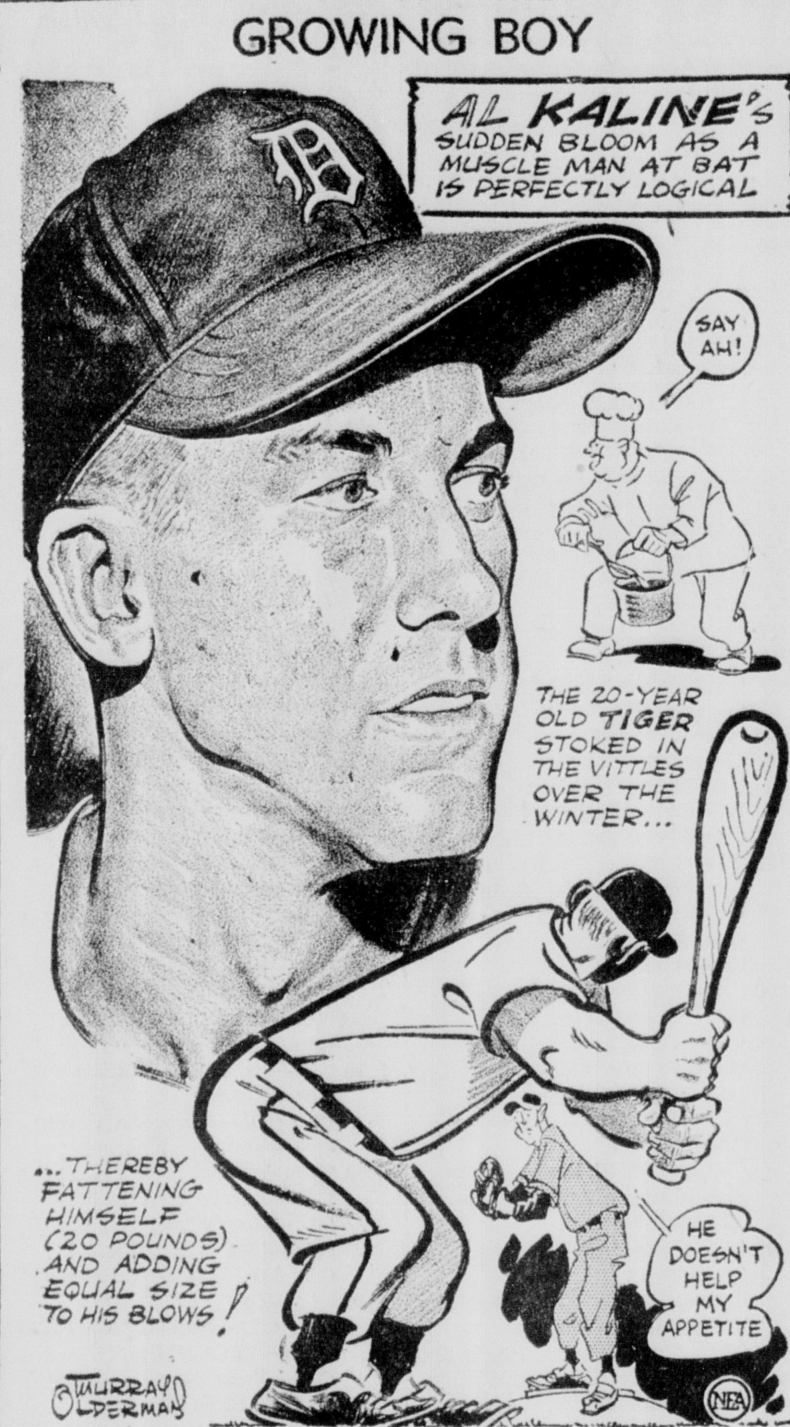

Following the two leaders into Saturday's semifinals were Lyons of LaGrange with 10 points, Pekin 7 and Evanston and Taft of Chicago, 6 each.

Oak Park tallied 5 points and 3 each were scored by Blue Island, Granite City, Champaign and Decatur.

DECISIVE VICTORY

EAGLE ROCK, Va. (P)—There wasn't much doubt who had the better team.

Eagle Rock defeated Fincastle in a baseball game, 32-0. Calvin Huffman, an 18-year-old senior, pitched a no-hitter for Eagle Rock.

Coast Refs Asked To View Marciano-Cockell Movies

SAN FRANCISCO (P)—Northern California boxing referees were "requested" Friday to see movies of the Rocky Marciano-Don Cockell heavyweight title fight last Monday night.

The suggestion was made by Willie Ritchie, chief inspector of the California Athletic Commission, the boxing control body for the state.

John Simpson, Cockell's manager, said in Chicago Friday that Marciano's technical knockout was "rigged from the referee right on up."

The movies show Marciano hitting Cockell while the latter was on his knees before Referee Frank Brown stopped the bout in the ninth round.

"Brown should have warned Marciano for his infraction of the rules," Ritchie said. "I had all the eligible referees for this fight, before Brown was named, in the office and alerted them carefully about fouls and how to deal with them when they were committed."

Ritchie said he had not "ordered" officials to see the films.

Senators Defeat Red Sox 3-1

WASHINGTON (P)—Bob Porterfield and Johnny Schmitz held Boston to six hits Friday night as Washington defeated the Red Sox 3-1.

Porterfield, who won his fifth decision, was forced to retire after five innings when his right arm stiffened after being hit by Billy Klaus' line drive in the second inning.

The Senators clipped loser Frank Sullivan for two runs in the second inning.

Porterfield, who held the Red Sox to two hits before departing, was nicknamed for a run in the fourth.

Report Babe's Condition 'Good'

GALVESTON, Tex. (P)—Babe Zaharias was found in "good" condition after undergoing an X-ray examination on her back at John Sealey Hospital.

Dr. Robert M. Moore, who performed a cancer operation on her in April 1954, said her condition is good. He said the X-Rays showed no evidence of injury to her back.

Moore said the visit had nothing to do with the cancer operation.

Pinch Hit Homer Gives Giants 6-3 Win Over Pirates

PITTSBURGH (P)—Bill Taylor hit a pinch hit homer with two men aboard in the ninth to break a tie and give the New York Giants a 6-3 victory over the Pittsburgh Pirates Friday night.

The blow, on the very first pitch by Max Surkont, sent the Pirates to their eighth consecutive defeat—equaling their longest losing streak of the season.

In the seventh inning the Giants scored two runs to forge a 3-3 tie.

The victory was credited to Hoyt Wilhelm, veteran knuckleball artist who relieved starter Johnny McCall in the fifth when the Pirates scored one run. Marv Grissom hurled the ninth.

The Giants took a quick lead in the second inning on Hank Thompson's homer. The Pirates bounced back in their half of the inning with two runs.

The final Pirate tally came in the fifth.

Foreign Horses Challenge U.S. In Steeplechase

NEW YORK (P)—Foreign horses will challenge the U. S. Saturday at Belmont Park in the 56th running of the back-breaking International Steeplechase.

Vincent Aurlo, former President of France, will present a gold cup to the winner of the International, a rugged 3½-mile affair over 16 jumps that will be televised and broadcast (ABC, 2:15-2:30 p.m. CST).

Eight American horses headed by the 1954 champion, King Commander, and Shipboard, will meet along with Charles Knott's McGraw's Beechpark from Ireland, and Ettore Tagliabue's Machiaveli from Italy.

But it seems as if France's former President will be handing the trophy to an American because they are schooled to brush through the barriers. The invaders are taught to clear the fences. That takes more time.

Blasts Marciano's 'Jungle Tactics'

PRESTWICK, Scotland (P)—A top British boxing official said Friday Rocky Marciano's ring tactics against Don Cockell were a "throw-back to the jungle," and he added: "Marciano would be a very ordinary champion if he had to fight strictly in accordance with the rules."

Teddy Waltham, secretary of the British Boxing Board of Control, made the statements after returning from San Francisco where he saw Marciano stop the British heavyweight in the ninth round.

Tryouts Begin Today For Elks Boy's League

The tryouts for the Elks Boy's Baseball League will begin today on the Elk's Boy's Diamond at South Diamond and West Morton. The team managers will scout all age groups during the tryout periods which will begin at 1:00 this afternoon with the 8 and 9 year olds.

The 10 year old youngsters will report at 2:30 with the 11 and 12 age group scheduled for 4:00 today.

The first scheduled twilight game will be Monday, June 6 at 6:15.

Turley Needs Help As Yanks Beat Orioles 7-5

NEW YORK (P)—Bullet Bob Turley, still unable to control his wildness, needed relief help to pick up his seventh victory Friday night as the New York Yankees defeated Baltimore 7-5. The strong-armed righthander left in the sixth inning after walking nine and striking out only three.

Home run—New York, Berra.

Turley, who leads the majors with 72 strikeouts for the season, pushed his bases-on-balls total—highest in the American League—to 53 by walking the four men he faced in the sixth inning.

That forced in the third Oriole run and sent Turley to the showers. Before reliever Jim Konstanty got the side out, Baltimore scored two more to edge to within one run of the Yanks at 6-5.

But from there on, Konstanty and Bob Morgan kept the Orioles scoreless.

The Yanks scored what proved the winning runs in the fifth, giving Turley a 6-2 lead while swatting reliever Harry Byrd for five hits and three tallies. Yogi Berra's fourth home run of the season scored two and Gil McDougald's single scored the third.

Lou Kretlow was the Baltimore starter and loser, walking four before leaving for a pinch-hitter in the fourth.

Phillies Defeat League Leading Dodgers 5-3

BROOKLYN (P)—The Philadelphia Phillies, who had lost 15 of their previous 16 games, pasted the Brooklyn Dodgers 5-3 Friday night. The loss was the fourth in a row for the National League leaders.

Robin Roberts, who now has won exactly half the Phillies' 10 victories to date, turned in the triumph. He never was in serious trouble as his mates gave him a three-run bulge in the first three innings, tapping loser Billy Loes for two in the second and another pair in the third.

Except for Roy Campanella's home run with none on in the second, Roberts held the Brooks well in check. Even their third run in the seventh inning was unearned, coming as a result of a bad throw by Granny Hamner.

DITMAR'S TWO-HITTER LEADS A'S TO 1-0 WIN OVER CHICAGO

CHICAGO (P)—Art Ditmar tossed a brilliant two-hitter Friday night to lead the seventh-place Kansas City Athletics to a 1-0 victory over the Chicago White Sox.

Two-out singles by Chico Carrasquel in the third and Willard Marshall in the ninth were all the Sox could muster off Ditmar who recorded his second major league victory.

Ditmar walked three, hit one batsman and struck out five. The Sox could hit only seven balls into the outfield including the two singles. Not a Sox runner got beyond first base.

The A's scored the game's only run in the first inning on singles by Enos Slaughter and Vic Power and a sacrifice fly.

The A's managed seven hits off Sandy Consuegra, and reliever Harry Dorish, getting five of them in the first three innings.

Farmer Gains Victory Number 7; Kaufmann Gets 5 Straight Hits

EUREKA—(Special)—Coach Al Miller's Illinois College Blueboys pounded out 24 hits good for a season's high of 24 runs as they scored an easy decision over host Eureka in a Prairie conference contest. The victory was number eight of the season for IC to go with six losses and it was their fifth straight as well as win number four in the PCC. The Blueboys have lost two conference games.

It was a slugfest from the start as the Blueboys scored eight, nine and seven runs in three different innings in running up the 24-7 victory. Gene Farmer started on the mound for IC and was the winning pitcher. It was the seventh win of the year. Don Robinson took over in the eighth frame and hurled the last two innings giving up three runs in the ninth as he walked three and hit one.

Bill Kaufmann continued his fine hitting for the Millermen as he collected five-for-five before giving way to Bill Horsley late in the game. Bill Ingle and Bill Merris collected four hits apiece, each getting a double. The only triple of the contest was hit by Don Hazelrigg. Pitcher Gene Farmer had a double.

IC's final game of the season will be played Tuesday as they entertain Concordia in a PCC contest.

New Trier Takes Midway Lead In State Prep Golf

CHAMPAIGN, Ill. (P)—New Trier of Winnetka, led by Bernie Magnusson's one-under-par 71, Friday swept into the halfway lead of the 36-hole State High School Golf Championship Tournament.

New Trier's four low scorers totaled 308 over the University of Illinois course for a four-stroke margin over Rockford East after the first round.

The tourney ends Saturday with the second 18 holes.

Rockford East was followed by Leyden of Franklinton Park with 321, Pekin 322, Moline 323, Joliet 326, Glenbard (Glen Ellyn) 329, Morgan Park of Chicago 331, West Frankfort 337, Quincy 338, Taft of Chicago 341, Decatur 364, and East St. Louis 373.

Magnusson turned in the best opening round, beating out Emil Esposito of Leyden and Robert Ketcher of Morgan Park by two strokes for the midway lead.

Other leading scorers included Bill Flinn, Highland Park, 74; Ronald Towne, Lincoln, Don King, Western of Macomb and Russ Eliene, New Trier, each with 75; and Clem Georlett, Moline, 76.

Grouped at 77 were Tom Desmet, Moline; Ed Czermak, Joliet; Bruce Lickley, Leyden; Ron Cwiklinski, Taft and Jerry Carlson, East Rockford.

Cockell To Fight On Coast In July

CHICAGO (P)—Don Cockell, British heavyweight who was stopped by champion Rocky Marciano last Monday, will fight in Seattle, Wash., late in July.

En route to New York to sail to England Tuesday, Cockell disclosed through his manager, John Simpson, plans for the Seattle match. Simpson said the pudgy British fighter would meet a foe still to be determined, perhaps former heavyweight champion Ezzard Charles or Pat McCrory of Tacoma among three or four under consideration.

U.S. Walker Cup Team Sweeps Foursome Play

By STERLING SLAPPEY
ST. ANDREWS, Scotland (P)—America's young amateur golfers crushed Britain's hope of winning the Walker Cup Friday when they swept all four of the opening day's foursome matches in the 15th international team competition.

This totally unexpected triumph sent the United States into Saturday's singles needing to win only three of eight matches in order to retain the trophy. It was a crushing setback for the British team, regarded as the strongest of the postwar era.

Although the Americans had been slight favorites to win the Walker Cup for the 14th time, nothing like Friday's sweep was foreseen.

Only the top American team, Harvie Ward of San Francisco and Don Cherry of Wichita Falls, Tex., had to go the full 36-hole distance.

The other Americans easily showed themselves to be the masters of their opponents.

Billy Joe Patton, from Morganton, N.C., and Dick Yost of Portland, Ore., turned back Gerald Micklem of England and John Llewellyn Morgan of Wales, 2 and 1.

Portland's 21-year-old Bruce Cudd and Jim Jackson of St. Louis routed the Scottish team of David Blair and Robin Cater, 5 and 4.

And Joe Conrad, 25-year-old Air Force lieutenant from San Antonio, Tex., and Dale Morey of Indianapolis turned back Ian Caldwell and Ernest Millward of England, 2 and 2.

New York Bond Market

NEW YORK (P)—Railroads and convertible obligations improved in a steady bond market Friday.

U. S. government bonds were mostly unchanged. Investment quality utilities and industrial bonds tended to ease. But medium-grade carriers and obligations convertible into common stock were in moderate demand. "Big Board" volume declined to \$3,120,000 par value from \$4,040,000 Thursday.

The Associated Press average of utility and low-yield corporate bonds closed at the lowest levels of the year.

New York Stock Market

NEW YORK (P)—Steels and chemicals combined their strength Friday to send the stock market ahead in its third straight advance.

For a time Friday early in the session it looked as though the market might falter and decline. Prices were up, but not very much, and aircrafts were weak.

Chemicals strengthened and brought the rest of the market up with them including the aircrafts which closed mixed. Near the finish the steels got going and monopolized buying attention for some time.

Also higher were the motors, railroads, airlines, merchandising issues, coppers, utilities and a considerable list of individual issues. In the mixed class with aircrafts were radio-televisions, farm implements, rubbers and oils.

The rise carried prices up \$1 to \$2 and on out to around \$4 in some instances. Losses usually were quite small.

The market has been going down in a consolidating reaction for the past four weeks, and the three-day rally this week is the strongest showing the market has made during that time.

A rise of \$1.10 was scored by The Associated Press average of 60 stocks at \$163.50. It was up 70 cents Thursday and \$1.50 the day before.

All three components were up—industrials \$1.70, railroads 70 cents, and utilities 30 cents.

Volume amounted to 2,240,000 shares as against 2,380,000 Thursday.

The American Stock Exchange was mostly higher on volume of 830,000 shares. That compares with 700,000 shares traded Thursday.

GRAINS GAIN ON BRISK MARKET

By WILLIAM FERRIS

CHICAGO (P)—In a brisk trade grains surged upward for fairly respectable gains on the Board of Trade Friday.

One factor in the upturn was that, with liquidation in May contracts out of the way, traders were inclined to be more optimistic about the immediate price outlook.

Other factors included such items as the weather, export business, hopes of flour business and firm cash prices.

Wheat closed 1 1/2-2 1/2 higher, corn 1/4-1/2 higher, oats 1/4-1/2 higher, rye 3/4 to 3/8 higher, soybeans 1 1/2 to 3 cents higher and lard 7 to 35 cents a hundred pounds higher.

Two grains which provided something of a surprise were oats and rye. Both were much more active than usual, and at advancing prices.

In oats the main stimulus was the weekly crop report of the Quaker Oats Co., which noted spring planted crops were suffering over almost the entire northern one-third of the country east of the Rocky Mountains.

"Unless moisture is received soon across this vast area," the company said, "one can expect large reductions in oats, spring wheat, barley and flax."

Rye was stimulated by news President Eisenhower, at the request of Agriculture Secretary Benson, had asked the Tariff Commission to see if rye imports were hurting the domestic price support program.

This was seen by traders as an indication the limitation on imports of foreign rye would be continued. Imports during the period from June 30, 1954 to July 1, 1955 were limited to 186 million bushels. Traders saw the prospect of limitations for another year.

Traders in soybeans were impressed by the manner in which the May contract was closed out Thursday, reflecting the small supply of cash beans in trade channels. Both bean oil and bean meal firmed in the cash market and that, too, was a help to soybeans.

CHICAGO LIVESTOCK MARKET REPORT

CHICAGO (P)—Butchers and hogs sold steady to 25 cents lower Friday, a slight setback which nevertheless left them sharply higher for the week.

While top price declined 25 cents to \$19.25, it was 75 cents above a week ago and the highest for any week end this year. It was paid for one deck of 200-pound butchers.

Most choice 190 to 220-pound butchers moved at \$18.00 to \$19.00, \$20 to 260-pounders at \$17.00 to \$18.25 and 270 to 300-pounders at \$16.00 to \$17.00. Sows sold from \$13.25 to \$15.25.

Only 500 head were on sale in the cattle section. Everything was quoted nominally steady. A few loads of good and choice steers and heifers were taken at \$19.00 to \$23.00.

Utility and commercial cows sold at \$11.25 to \$14.00. Most good and choice vealers moved at \$20.00 to \$25.00 and utility and commercial at \$11.00 to \$19.00.

Only 200 salable sheep arrived. Lambs and sheep were quoted steady. A package of mostly choice native spring lambs commanded \$24.00.

PROCTER & GAMBLE
A CAREER IN SALES WORK

The Procter & Gable Distributing Company is looking for a few men, preferably college trained, 22 to 29 years of age, with strong sales character and interests who can progress in sales work. Advancement in position depends only upon initiative, ability and performance, as all promotions are made from within the Company, based strictly on merit.

A well developed training program makes previous sales experience unnecessary. Pleasing but forceful personality, determination to succeed, and high moral character are essential requirements.

Starting position provides a good salary, opportunity to earn substantial bonus. Excellent plans for profit sharing, disability benefits, and life insurance. Car furnished, expenses paid.

Men interested in exploring these opportunities please write and/or call Mr. E. J. Werner, c/o St. Nicholas Hotel, Springfield, Ill. Mr. Werner will interview men in Springfield, Ill. on Monday, May 23 between the hours of 8:30 A.M. and 4:30 P.M.

Dr. Garm Norbury Installed Friday By State Society

CHICAGO (P) — Dr. F. Garm Norbury of Jacksonville was installed Friday as president of the Illinois Medical Society at the close of the group's four-day 115th annual convention.

Dr. Norbury, a 63-year-old neurologist who is director of his own sanatorium, succeeds Dr. Arkell M. Vaughn, Chicago surgeon, as head of the state group.

The new state president is a native of Jacksonville and a 1912 graduate of Illinois College. He took a master of arts degree at the University of Illinois in 1913 and won his doctorate of medicine magna cum laude at Harvard Medical School in 1917.

Dr. Norbury served as a medical officer in both world wars, heading the 83rd General Hospital as a colonel during World War II in North Wales and France. He made a study of German hospitals for the U. S. Military Government after the war ended.

He joined the Norbury Sanatorium at Jacksonville as assistant physician in 1919, and became president of the company in 1951.

He is at present neurologist for the Wabash Railroad, secretary of the board of trustees of Illinois College, and a director of the Elliott State Bank at Jacksonville.

A widower, he has three children, seven grandchildren. One of his sons, Dr. Frank Norbury, is on the Norbury Sanatorium staff and is secretary of the Morgan County Medical Society.

MacMurray To Join In New Teacher Plan

MacMurray College has been invited by officials of the University of Chicago, department of education, to participate in an integrated program to further the preparedness of teachers.

The University of Chicago is inviting about a dozen Liberal Arts Colleges in its region to co-operate in an arrangement whereby a few carefully screened undergraduates interested in teaching would be encouraged in planning their preparation on a five-year basis, taking into account the requirements for a bachelor's degree in arts and sciences, and a master's degree in teaching.

Apparently, according to the University of Chicago program, students would not be required at MacMurray in undergraduate programs to take courses in education. However, the entire five-year program would be planned with potential teachers when they first undertake their undergraduate work. Also, the MacMurray students would be given preferential treatment by the University in the granting of scholarships.

Officials at MacMurray College feel that four years of liberal education at MacMurray plus a year of professional training at a University such as that of the University of Chicago should result in exceptionally well-trained persons for public school teaching.

Five Births At Boyd Hospital

CARROLLTON—Five babies were born the past week in Boyd Memorial Hospital including a daughter May 14 to Mr. and Mrs. Thomas Henson of Morey, a son May 12 to Mr. and Mrs. James Ballard, Carrollton; a daughter, May 15, to Mr. and Mrs. Jerome Roundabout, Kampsville; a son, May 15, to Mr. and Mrs. Wayne Scroggins, Carrollton; and a son, May 18, to Mr. and Mrs. Billy Hamel, Eldred.

Patients undergoing surgery during the week were Miss Artricia Baker, Mrs. Amy Bowker, Mrs. Barbara Howland and Miss Anna Varble, Carrollton; Roy Russell, Hamburg; and Mrs. Ethel Schild, Hillview.

A life membership in the PTA was presented to Mrs. Jane Murgatroyd from the Parent Teacher Association at the South Jacksonville school in a recognition ceremony Tuesday evening, May 17, at the last meeting of the season for the Association.

The presentation was by Majel Segrist on behalf of the Association. Two of Mrs. Murgatroyd's students read articles they had written about their teacher. Virginia Gronseth read "My Teacher" and Paul Smith, "Mrs. Murgatroyd's Life."

JANE W. MURGATROYD

In reply to the presentation to Mrs. Murgatroyd for her many years of service and devotion to her pupils she said, "I've only been a cog in this great wheel that's daily made the same old trip. Yet what a joy it's been to know that if not for me the wheel might have slipped. It's been something after all to jog along and be a first class cog."

The meeting opened with the music instructor of the school, Miss Prevelos, explaining the musical portion of the program. She introduced Miss Dorothy Cobb who led her fourth graders in singing and the playing of tonettes and auto-harps. Miss Prevelos led the band composed of fifth, sixth and seventh grade pupils. Norman Werner, instructor for stringed instruments, presented this part of the program. Pamela Cole and Ted Dean each conducted during the numbers.

During the business session an auditing report was heard from Wayne Herrin and Gerald Kuster. Thomas Paige, district director, was present and installed the following new officers: president, Mrs. H. A. Anderson; first vice president, Ralph Jones; secretary, Mrs. William McKean and treasurer, Mrs. Harry Bourn.

Harry Beasall presented the school nurse, Mrs. Dorothy Wittee, who spoke on Personal Development through Good Health. Mrs. Wittee gave a complete report of the school's health program for the year. Interesting film was shown that had been taken by the nurse during the health examination.

At the close of the program refreshments were served by mothers of the first grade pupils.

GREENFIELD WOMAN ACCEPTS POSITION AT JERSEY SCHOOL

JERSEYVILLE—The Board of Education of Community District 100 has employed Mrs. Seena H. James of Greenfield, Ill., to teach in the Commercial Department at the Jersey Community High School. She fills the vacancy created by the resignation of Mrs. Marjorie Conklin Tracy which becomes effective at the close of the present term.

Mrs. James, who was born in Morgantown, Ky., obtained a Bachelor of Arts degree from the College of Commerce in Bowling Green, Ky., where she majored in Commercial Education and English. She also studied at Western Teachers College in Bowling Green and has done work toward a Master's degree at Columbia University in New York City.

She has taught Commerce in the high schools at Medora, Carrollton and Paris, Ill., before affiliating with the faculty at the Greenfield high school last year.

Mr. and Mrs. James will come to Jerseyville to reside as soon as they can locate a house. Mr. James is a licensed funeral director and is recuperating from major surgery.

BEREA 4-H CLUB PLANS SKATING PARTY

The Berea 4-H club met recently at the Alexander school. The meeting opened with the pledge to the flag, the 4-H pledge, being led by Carol Gerdes.

Jeanne Smith gave a demonstration on judging sheep. A vote was taken to have a skating party in June. Games were played during a recreation period. Refreshments were served by Joyce Pittsimmons. The next meeting will be held June 20 at the school.

Fake Fire Alarm Touches Off Trip To State Farm

Turning in a false alarm to the Jacksonville Fire Department resulted Friday in the sentencing of Richard (Dick) Nolan to the Illinois State Farm at Vandalia for a period of six months.

According to police, Nolan, who resides on North West street went to a neighbors home Thursday and told him to call the fire department because his house was on fire. The call was received at the department at 6:06 p.m., and the firefighters rushed to the scene but failed to find any evidence of a conflagration.

Police arrested Nolan and when he appeared before Police Magistrate William Messersmith Friday the court sentenced him to the state farm on a charge of being a common drunk.

While few citizens are familiar with the cost of a fire run, department officials estimate that it costs the taxpayers approximately \$340 every time the big equipment leaves the department whether it be a false alarm, fire or an actual blaze.

Cleanup Day At Jerseyville Set For Monday

JERSEYVILLE—Monday will be the annual cleanup day in the City of Jerseyville and all residents of the city are asked to cooperate by having refuse in containers at the curb for a city pickup on that day. The city trucks will be used to haul away the rubbish. The green light to the cleanup program was given by the city council at its regular semi-monthly meeting here.

In addition to the cleanup campaign, there was some discussion of the current traffic situation, and Emil Keene, consulting engineer was asked for suggestions to relieve the hazard and confusion at the South State and Carpenter street intersection.

Figures will be obtained relative to the cost of a blinker stop sign warning for the site and the cooperation of the state will be sought since the proposed project is on Federal Route 67 A.

MARRIAGE LICENSES
Charles L. Weems of Quincy and Dorothy Nooner of Colmar, Ill.
Walter William Heiss and Mary Ann Reilly, both of Springfield.

TO BE DEDICATED SATURDAY NIGHT WITH DANCE—This new fire house at Ashland will be dedicated Saturday night with special ceremonies and a public square dance, beginning at 8 p.m. Mayor Newell and Fire Chief Murray will be in charge of the dedication. Deputy Fire Marshal Charles Boyd of Beardstown will be guest speaker. The new building to house equipment of the Ashland Volunteer Fire Department was erected at a cost of \$8,000. The street from Cosner's Heating Service to the post office will be roped off for dancing with music by the Zillion orchestra. Earl Lindsay will do the calling. Refreshments will be served. Proceeds of the dance will be used to help pay for the new fire house, as will funds raised at the homecoming in June.

Arch Cruse Dies At Peoria; Was Blacksmith Here

A former resident of Jacksonville, Arch Cruse, died Wednesday night at a hospital in Peoria following an illness of several weeks.

He was born at Carrollton, Ill., February 10, 1884, the son of Phillip and Mary Alice Miller Cruse. When he was quite young the family moved to Jacksonville where Mr. Cruse attended the public schools.

He was a blacksmith and horse-shoer and was employed in blacksmith shops until 1928 when he went to Peoria to take a position with the Mayer Hotel. He retired from the hotel work several years ago and went to California, returning to Peoria last year.

In July 1917 he was united in marriage with Miss Isabel Norris in Jacksonville. She died in 1953. Mr. Cruse is survived by two daughters, Mrs. Wendell Close of Flin, Mich., and Mrs. Robert Livingston of Peoria; one son, Archie Cruse of San Bernardino, Calif.

He also leaves one brother and four sisters: Jeff Cruse of Los Angeles, Calif.; Mrs. Ida Ehler of Mrs. Herman Opperman of Jacksonville, Ill.; Mrs. Oscar L. Smiley of San Jose, Ill.; and Mrs. Elmer Swartz of Kenosha, Wis. There are seven grandchildren.

Funeral services will be held Saturday afternoon at 1 o'clock at the Wilton Funeral Home in Peoria. Burial will be in Peoria.

Mr. and Mrs. Herman Opperman, Mrs. Ida Ehler, Carl Ehler and Mrs. Pat Mahoney of this city will attend the funeral.

\$44,373 Raised For MacMurray Development Fund

The first all-division report meeting of the Jacksonville campaign of the MacMurray College development program fund was held at the college, when the total raised thus far was reported as \$44,373.

William L. Fay, special gifts chairman, presided at the meeting attended by about 30 volunteers. Mr. Fay urged everyone to complete the remainder of their calls by next Wednesday, May 25, the date of the final report meeting. The chairman indicated he was encouraged with the results achieved so far and urged that the pace be accelerated so that there would not be any question regarding the success of the Jacksonville phase of the campaign.

Dr. Louis W. Norris, president of MacMurray College and Attorney Fay both paid tribute to the Jacksonville Alumnae, under the leadership of Miss Grace Pitch, for their fine showing. This division has already brought in \$11,255. They also singled out Dr. Alfred C. Henderson and Miss Catherine Robinson, leaders in the campus division which includes the faculty, administration, staff, and students, for their efficient work which resulted in bringing in over \$10,000.

ASK LEGISLATURE INCREASE FUNDS FOR CHICAGO TB HOSPITAL

CHICAGO (P)—Leaders of the Illinois State Medical Society Friday asked the Legislature to provide increased funds for the Chicago State Tuberculosis Hospital.

A bill pending in Springfield would appropriate \$3,800,000 for the biennium starting July 1. The society's House of Delegates said in a resolution that the sum should be increased to five million dollars.

A report to the society said there are sufficient cases to keep the hospital operating at the capacity for which it was planned.

The House of Delegates, in the final day of the 115th state convention, also urged Gov. Stratton to appoint a commission to regulate community hospital schools of nursing and help them plan expanded programs "without lowering present academic requirements."

The commission, the delegates said, should consist of practicing physicians, nurses, hospital administrators and educators.

Convict Long, Pavlat Of Labor Racketeering

SPRINGFIELD, Ill. (P)—Union officials Guy T. Long of Springfield and Edward J. Pavlat of Galesburg were convicted Friday in federal court of labor racketeering.

U.S. District Judge Charles G. Briggie, who conducted the trial without a jury, fined each \$2,500 and sentenced them to two years in prison.

Pavlat, former business agent of AFL Teamsters Local 15, will serve the two years starting Friday concurrently with what remains of a two-year sentence he began last October when he was convicted on a similar charge.

The two men were accused of extorting \$2,500 from the O. R. Burden Co. of Tulsa, Okla., during construction of a pipeline in 1952 from Oklahoma to East Chicago, Ind.

Long, 47, business agent of AFL Teamsters Local 532, denied he ever received a payoff. The president of the construction firm testified he paid the sum for protection from being overloaded with unnecessary workers.

Pavlat admitted receiving \$500 but said he accepted it for another union official now deceased.

Long obtained a stay of execution until May 31. His attorney, Arthur M. Fitzgerald, indicated he would seek a new trial.

Swerves Car To Miss Taxicab; Goes In Ditch

Mrs. Herman Cohen of Mound Road was shaken up and sustained slight lacerations on her face at 3 o'clock Thursday afternoon in an automobile accident on U. S. Highway 36, near Oklawaha sanitarium.

Mrs. Cohen swung her car sharply to avoid a taxicab, which a state patrolman said entered the highway from the sanitarium drive. Her 1953 Buick jumped a ditch and the front end of the car was damaged. There was no contact between the car and taxicab.

State Patrolman Clyde Vasconcellos Jr. said Mrs. Cohen's glasses were broken when the car jumped the ditch. She was taken to Our Saviour's hospital for a checkup, and returned to her home.

The taxicab was driven by William Fanning. The Cohen car was towed by Brummett's wrecker to the Cox Buick garage.
